

LEAGUE OF LECTROIDS FOR LIZARDO

~~January~~, 1986

Hello, I am Wendy Snyder. My alter ego is John Washwear. Actually, I am a double agent, as I am a member of the BBI's, also. I don't look anything like John Washwear. (I put on an outfit to masquerade as her.) She thinks she's gorgeous, but John Howling Mouse claims she puts the "Ugh" in Ugly.

I am 24 years old and have a B.S. in Zoology from Texas A&M University. This coming fall I will be entering the College of Veterinary Medicine for the second time. I had to drop out the first time because of illness.

Aside from being enthralled with animals and the biological sciences, I have numerous hobbies - my "favorite" one depends on what I'm working on at the time. I like role gaming, especially writing my own scenarios and being the game master. I don't play much D&D anymore - my new love is "Call of Cthulhu." I like to read science fiction, fantasy, and horror, but I never seem to get the chance to read as much as I'd like. My favorite authors are Jack Chalker, Richard Matheson, Richard Bach, and Piers Anthony. I've just started reading the Xanth books. Also I'm reading some H.P. Lovecraft stories for the "C of C" scenario I'm writing. I am a fairly avid vampire fan, but I've never found a vampire club to join. My favorite vampire movie is "The Night Stalker." The best vampire books I've come across are "Interview With The Vampire" by Anne Rice, and "Fevre Dream" by George R.R. Martin. I am a member of an sf organization called Cepheid Variable at Texas A&M University. In the past I have been an officer, but I'm not as active in it anymore. I like to do craft work - presently I am working on a Batik wall hanging. I do a lot of things in paper mache'. Cooking is fairly high up on my favorite hobbies list. I love plants and gardening, and I'm trying to start a vegetable garden in the back yard. I also raise African Violets. I own two cats and a horse. I ride English. I never got into the show scene, but I have done some jumping with my Connemara mare Tiffany.

LEAGUE OF LECTROIDS FOR LIZARDO

The "League of Lectroids for LizarDO" has become another one of my hobbies, even though I'm not a big John Lithgow fan and "Buckaroo Banzai" isn't my favorite movie. I came up with the idea for the organization, but my sister Heidi (John Howling Mouse) took it from there.

I guess I've covered a good share of what I like and what I am like. I hope to hear from you REEL SUNE.

Your friend,

Wendy
